base been the improvements in the various specialities of this apparatus, that to make the most desirable selection the knowledge of an expert is required. The great requisities of a good newing machine are to have one carefully and durably constructed—one that is easily kept in order, can be reedily learned to operate on, does its work well and in great variety, with the least noise or confusion, and, not least of all, is most economical an cost. After years of experience, is which we have thoroughly tested all the first-class machines which have yet been presented to the public, we are forced to concur in the opinion of the judges of the late faur at the American Institute, who awarded the notation that the relation to Cribbage in the late faur at the American Institute, who awarded the notation that the relation to cribbage in the late faur at the American Institute, who awarded the notation that the relation to cribbage in the late faur at the American Institute, who awarded the notation that the relation to cribbage in the late faur at the American Institute, who awarded the notation that the relation to cribbage intelliging to a late of the gash, and accurate little work on the left and designting and adjusted and expected in the relation to cribbage always glad to see his filtends on any occasion, and more so on such an one ac Christmy. Stroke Cawent, northeast corner of Eight and Main streets, are "up and up" with fire flight, second fault of instance and and Main streets, are "up and up" with fire flighters, and a Main street, the always class the relation to cribage always glad to sae his firms, one that one a construction, and more so on such an one ac Christmy. Stroke Cawent, northeast corner of Eighth and Main streets, are "up and up" with fire flighters, and a Main street, the always glad to acches a line and submit one on one such an one ac Christmy. Stroke Cawent, northeast corner of Eighth and Main streets, are "up and up" with fire flighters, and a Main street, are "up and up" with fire flight body whe desires to play Cribbage Intelligately.

DRY GODS HOVEES.

A splendid lithographic calendar for 1867 has been placed upon our table by Measrs. Hart & Mapother. The execution of this card, and its whole design, is machine is so readily adjusted that it can be operated by any person, after a few hours' instruction. It makes four septrate and distinct stitches, each of which can be used at pleasure. It has the reversible feed motion, and will do any kind of sewing, plain or ornamental.

We are indebted to Benj. F. Aligners the will care hours' instructions are all positive, thus it is almost impossible to get out of order, and will kinds of wine and liquors for feed with the positive properties of this house received.

BRANKE Co. at the New York Store, never had a larger of five a four active of the house's for table they keep a complete stock of their for place and will green that their elegant above windows will speak for itself.

BRANKE Co. at the New York Store, never had a larger of five active to the for a their for place and will be about the five feed to notice, is but the reward which that a green that their elegant above windows will speak for itself.

We shall not attempt to describe its general features, but refer out readers to the card lites!

We are indebted to Benj. F. Aligned and effect to their advertiement to another estimate the holidary a cheep and neeful atteite will leave his doors during the holidary and several and the holidary and beautiful the late of January and the holidary and several the holidary and several the holidary and several the holidary and the holi with all these cardinal points, it is for-nished at a price as low as it is possible to sell such a first-class pice of mechansm. Those who desire to give a sewing chine as a holiday present, will find

particular importance occurring in the preparation for the accommodation of his patrons or the subject of the accommodation of his patrons or the accommodation or the accommodation of his patrons or the accommo lers, who have nothing else to do

the discharge of their duties. The jnry failed to agree and they were discharged.

Allen Browder, Henry Ogley, B. and H.

NEW BOOKS FOR OLD AND VOUNI.

We are under obligations to Jno. P. Morton & Co. for copies of the following interesting books, and we most cheerfully call the attention of our readers to the same as worthy of an attentive perusait. TRUE MANLINESS; or, THE LANDSCAPE CABLENGER, A book for bysaad girls, By Mrs. L. C.T.FIII.L. Beston: Crossy & Almowret, 1st.

The name of the gifted authorees on the title page is suithcient of itself to commend the book to the notice of our young friends who desire interesting and profitable reading. We have locked through this book with much interest, CLMENG AND SLIDING By the author of Keilberlan Morry. "Sunset Bordes," e.s. Book on Nichols & Noyee.

CLMENG AND SLIDING By the author of Keilberlan Morry. "Sunset Bordes," e.s. Book on Nichols & Noyee.

This is another charming story for the young. We extract the two following paragraphs from the second chapter of the book:

"A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home! What is home to you, mry young friends?" "A home were young have a proper to the hook:

Berry Printy

Berry lly, their editors seem to think that patri-otic principles cannot be instilled into White's school, we reached this institu-The paper will never contain allusions offensive to adherents of the Protestant, Catholic, or Hebrew faith, nor to our fellow-citizena of loreign hirth.

The pecuniary interests of the paper will be lu charge of Mesars. Bradley & Gilbert, who are fully responsible to subwards of the section of the section

will be in charge of Messrs. Bradiey & Gilbert, who arefully responsible to subscribers. They are determined to publish the paper one year, even if a hundred paying subscribers should not be obtained. We mention this, because several enterprises of the kind have been started in our city and failed to continue their existence for the period proposed in the prospectus. This was through no fault of their publishers, but from a want of the necessary patronage of educators and friends of schools. Hence a suspension was uecessary to prevent a heavy loss on the part of their proprietors. The case will be different with the proposed paper, and know what such a paper will cost, and they are abundantly able and equally willing to sustain any loss which may result from its publication for one year, received the well-deserved suplatuse of fines six of the programme, we end the first page of the programme, we end when the proposed paper, and they are abundantly able and equally willing to sustain any loss which may result from its publication for one year, received the well-deserved suplatuse of fines six of the programme, we end the first page of the programme, we end when the first page of the programme, we end will be accorded by the suddence.
